SPREAD THE GREAT TRUTHS. The Purpose of the Western Democratic Campaign Fund.

Tariff Reform Victories It is Likely to Accomplish.

The Western Democratic Campaign Fund total now amounts to \$31,787.95, a sum that will do valuable service in the dissemination of the great principles of tariff reform among those voters in the Northwest who have shown a decided interest in the campaign of the party that has so long oppressed them.

The campaign this year has been singularly backward, and when it is considered that a President is to be elected five weeks from next Tuesday it will be seen that there is a vast amount of work to be crowded into a very short space of time.
